The 3 Month Summary

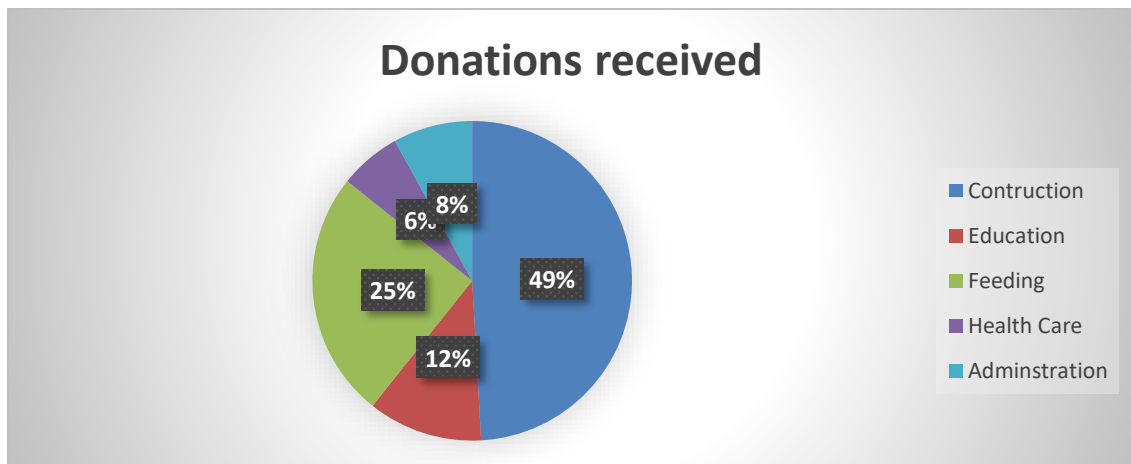

In the previous 3 months Trust Future Ministries with the support of its partners, sponsors and friends has achieved the following ;

1. Building Project ;

- a. We were able to produce 44 windows and 11 doors for the new school and home we are constructing for the orphans and vulnerable children and at the moment they have all been fitted in.
- b. We were able to install the electricity line at the new property for the cheap and smooth running of the machinery work.

2. Monthly expenses ;

- a. We have been able to provide over 17280 meals and other basic needs to the orphans and vulnerable children in our care and further supported struggling families in our community with food.
- b. Provided study materials for the Primary students to keep up with the syllabus even though schools are still under temporary closure because of the Covid-19 Pandemic

The next 3 Month Plan

- Complete the plastering, floor and ceiling of the accommodation block and the school blocks of the new place.
- Provide scholastic materials for both Primary students and the secondary students since schools are set to open on the 10th of January.
- Work on maintaining and providing new furniture for our classrooms.
- Continue to provide basic needs to the children in our care and maintain the food support to the struggling families.
